To The Court Clerk, Richard W Wicking

I have been notified by the Ninth Circuit Court of Appeals that I have filed more than one petition for writ of habeas corpus in the U.S District Court, also the Ninth Circuit Court of appeal.

I am requesting that a third investigation or research take place, as I have not filed any other petitions for writ of habeas corpus except for Cook v A.K Schriener.

I have been told in a notice by the ninth circuit court of appeals that my appeal to the ninth

circuit, in regards to the matter of Cook v A.K Schriener will not be entertained because of

these findings that other petitions for writ of habeas corpus were filed in the U.S District Court during the month and year of April-2003

This statement is false. I am now requesting your attention and correspondence to the matter

Thank you Sincerely 
Michael Cook
